MOHAMED SATHAK
ENGINEERING COLLEGE
AN AUTONOMOUS INSTITUTION

Department of Computer Science and Engineering
NEWSLETTER EVEN SEMESTER 2024 - 25

Vision

To emerge as a Centre of Excellence in Computor education by promoting innovative research and entrepreneurship for the betterment of the society.

Mission

M1: To impart high quality technical education using advanced teaching pedagogy

M2: To encourage new ideas and instill entrepreneurship among students to evolve as an Entrepreneur

MS: To create a conducive research ambience that drives innovation and nurtures research activities to emerge as an outstanding professions

M4: To instill discipline in students to make them ethically strong for the benefit of the Society

INSIDE THIS ISSUE :

O V E R V I E W

Department of Computer Science and Engineering has been successfully functioning since 1993. It offers B.E (Computer Science and Engineering) and M.E (Computer Science and Engineering). The department has well established laboratories for UG and PG students. The Software labs are well maintained and conditioned powered by DELL and Pentium systems of latest configuration and 24 hours Internet facility. The Internet (1 Gbps) and laboratory facilities are available for staff and students round – the clock. All the labs are well equipped with many modern facilities / utilities.

The department has its own Local Area Network. More than 255 latest computers are installed in the computer labs with the help of structured cabling technique. There are two servers and UPS of 60KVA each in order to utilize the computing effectively. Special PC Server is also serving in the department. Few of the laboratories are: PG R&D Lab, CASE Tools Lab, Networks Lab sponsored by CISCO, Linux Lab, Data Structures Lab driven by Aroopa Technologies Pvt Ltd, Python Lab, Android Lab and Project Lab. The department is a Recognized Center for Cloud Computing & Nodal Center for CISCO Network Training.

Department of CSE has good interactions and MOUs with leading technology domain Training & Development Industries. It organizes Symposia, Exhibitions, Conferences, Seminars and Workshops for both students and Faculty belonging to various Technical Educational Institutions, Research Scholars of Research Institutes and Industries all over India.

The strength of the CSE Department is its Alumni, which adds a good amount of perception rating to the department by being most illustrious. Department is committed to encourage students/researchers to carry out innovative research in the field of Computer Science & Engineering, keeping excellence in focus and deliver quality services to match the needs of the technical education system, industry and society. Students of CSE department are motivated to be innovative in their thinking while being strong in the Computer Science Core Knowledge. The department of CSE as a whole aim at the development of Ace Computer Science Professionals with ethical values & societal concern.

.
