Date:3.6.22

DISCIPLINE AND WELFARE COMMITTEE

OBJECTIVE

Indiscipline is a serious aspect of concern amongst students owing to peer pressure and other kinds of distractions around them. Their behavior changes and they react differently to various situations. This committee monitors the students/students and ensures that no indiscipline happens. Also, in the event of any indiscipline activities, action is taken by the committee.

FUNCTION AND RESPONSIBILITIES:

- To maintain general discipline among students
- To deal with issues of indiscipline and decide on necessary action
- To preserve / protect the welfare of students and the institution
- To deliberate upon issue concerning welfare of the college and come out with solutions for them
