DEPARTMENT OF MARINE ENGINEERING

Date: 09.03.2022

ALUMNI FEEDBACK REPORT

Alumni Feedback of Department of Marine for the year 2021-2022.

Objective of Feedback:

An annual survey was conducted to assess the satisfaction of alumni regarding the curriculum and college infra structure. Each year we ask alumni to complete a feedback form to gain an insight into how college could improve on various parameters as they are working in the industries and they know what we are lagging. We value feedback and treat it with highest respect, courtesy, value and confidentiality

The data is analyzed and their suggestions are considered and placed before the Governing Council and IQAC for discussion and for possible incorporation in the curriculum.

Design of feedback:

The feedback collected included rating of key services on a five point scale:

1. Unsatisfactory
2. Satisfactory
3. Good
4. Very good

Analysis of Feedback:

There are 12 questions in the curricular aspects and 12 questions in the institutional aspects in feedback form. Collection of feedback forms has been done from Alumni. According to the analysis following major points has been noticed. Feedback was sorted and the opinion obtained for each parameter is represented as percentage of total number of feedback response obtained for that parameter represented in table.
