### STUDENT FEEDBACK REPORT

Odd Semester 2021-2022

**Student Feedback of Department of Marine for the year 2021-2022.**

#### **Objective of Feedback:**

An annual survey was conducted to assess the curriculum content and syllabus weightage. Usually student will fill the forms at the end of every academic semester. Collected data will be kept confidentially

The data is analyzed and their suggestions are considered and placed before the Governing Council and IQAC for discussion and for possible incorporation in the curriculum.

#### **Design of feedback:**

**The feedback collected included rating of key services on a five point scale:**

1. Unsatisfactory
2. Satisfactory
3. Good
4. Very good

#### **Analysis of Feedback:**

There are 12 questions in the curricular aspects and 12 questions in the institutional aspects in feedback form. Collection of feedback forms has been done from Student. According to the analysis following major points has been noticed. Feedback was sorted and the opinion obtained for each parameter is represented as percentage of total number of feedback response obtained for that parameter represented in table.
