2. Measures taken to complete the syllabus of courses and programs.	<p>The college is in constant touch with the University and tries its level best to keep abreast with the guidelines laid down by the University for the Effective Enhancement of the curriculum. Because of its semi rural location, the college has to strive much to bring in new concept & methodology into its program. Besides the prescribed curriculum, the college is well-regarded in planning the teaching learning process. Academic calendar has been planned well by the instructions given by the university. Lesson plan has prepared prior at the beginning of each semesters. Preparation of course files which includes all the topics of the given syllabus.</p> <p>The course file consists of syllabus, notes of lesson, bridge course material, question bank for part-A,B & C. Tremendous library facilities with wifi connection. Not forgetting the traditional way of teaching, besides following the innovative methods like elearning, quiz, group discussion, presentation, interpersonal skill methods, peer learning etc to enhance their practical and technical skills. To retain the exposure of the students, the college and management provide the technical lecture and workshops by carrying foreign authorities to the campus. Each faculty is mentoring around 15 to 20 students every semester and they have to analyze the background of the student's discipline. Course allotment should be framed based on the faculty's competence matrix, previous results and academic involvement. Time table has been structured with tutor hour which is meant to moralize the student and library hour which is to improve their reading skill. The principal and the HOD monitor the syllabus completion, course materials, log book and get feedback from the students side. To promote the students knowledge to the next level, the college drive them to attend seminars, lectures, symposium, industrial visits and internship training. Students were motivated to do research and project work and making them to publish papers in journals.</p>
