

ENVIRONMENT CONSERVATION POLICY

MSEC will conserve natural resources by managing water resources using renewable sources of energy, energy management, minimizing solid waste and provide eco-friendly environment for students and staff

To enable this, the Institute will implement the following practices:

- Implement Sustainable resource management practices, based on reduce, reuse & recycle principles.
- Make efficient and environmentally responsible use of water, including identifying opportunities for water conservation.
- Reduce and, where practicable, prevent pollution.
- Provide appropriate environmental educational programmes for students and staff.
- Encourage and facilitate feedback and suggestions on ensuring good practice.
